About

Hero image

This is our about page, you'll find information about how we came to be and why our two brands formed into one

Since 2020, we've merged with Brillo because of the pandemic that ran rampant eirlier this year. We changed our brand's logo to match the berge with them. At the begin-ning of the pandemic, Brillo started to go under. We became one inorder for both of our bisnesses to flourish

INDEX - not part of actual site

 = Empty space for scrollbar
and page margin dedication

Grey boxes are for either text or child objects
or parent flex boxes, black objects are typically
used for images or parent `<div>` or `<section>`
elements

 = Typically related to only the footer of the page
stuff like: copyright, and back to top of page
button
